---

---

# FREESTYLE

## Bareback and bridle-less

FS1. Mount your horse from both sides	LEVEL 3	PRE LEVEL 3
FS2. Climb all over him; rub his rump with your legs and feet, stand on his back	LEVEL 3	PRE LEVEL 3
FS3. Back him up ten steps	LEVEL 3	PRE LEVEL 3
FS4. Walk forward, turn left, turn right, turn a full circle (pivot), back up	LEVEL 3	PRE LEVEL 3
FS5. Move up into a canter. Canter 3 circuits (in a corral) stop in the centre	LEVEL 3	PRE LEVEL 3

Comments:

---

---

---

---

---

---

---

## Tools: Snaffle Bridle, Saddle, Carrot Sticks (2)

*Leave your reins on your horse's neck or draped over the saddle horn*

FS6. Back your horse up in a straight line (facing Assessor) for at least ten feet	LEVEL 3	PRE LEVEL 3
FS7. Transition from halt to canter	LEVEL 3	PRE LEVEL 3
FS8. Show 3 simple drop to the trot lead changes	LEVEL 3	PRE LEVEL 3
FS9. Ride over two jumps that are at least 2 feet high	LEVEL 3	PRE LEVEL 3
FS10. Proceed toward Assessor in a straight line at the canter and come down to a back up	LEVEL 3	PRE LEVEL 3

Comments:

---

---

---

---

---

## On a Casual Rein

FS11. Gallop a Barrel Pattern with four barrels. Show two turns to the right and two to the left. Stop your horse in the middle of the barrels and come down to a 9 step backup	LEVEL 3	PRE LEVEL 3
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------	-------------

Comments:

---

---

# FINESSE

## Tools: Snaffle Bridle, Saddle, 45' line, Kite String

### With contact and a soft feel

F1.	Show a slow medium and fast walk	LEVEL 3	PRE LEVEL 3
F2.	Show a slow medium and fast trot	LEVEL 3	PRE LEVEL 3
F3.	Show a slow medium and fast canter	LEVEL 3	PRE LEVEL 3

Comments:

---

---

---

F4.	Come down to a graceful halt and backup	LEVEL 3	PRE LEVEL 3
F5.	Drop reins and stand still	LEVEL 3	PRE LEVEL 3

Comments:

---

---

---

F6.	Obtain a soft feel	LEVEL 3	PRE LEVEL 3
-----	--------------------	---------	-------------

Comments:

---

---

---

F7.	Move your horse's right front leg and then left hind leg	LEVEL 3	PRE LEVEL 3
F8.	Rock him backwards and forwards and side to side	LEVEL 3	PRE LEVEL 3

Comments:

---

---

---

---

F9.	Ride from a backup into a canter and back down to a back up three times. Canter Yo-Yo	LEVEL 3	PRE LEVEL 3
-----	---------------------------------------------------------------------------------------	---------	-------------

Comments:

---

---

---

F10. Ride a serpentine at the canter showing 3 simple lead changes through the walk	LEVEL 3	PRE LEVEL 3
-------------------------------------------------------------------------------------	---------	-------------

Comments:

---

---

---

F11. Pick up the right lead. Demonstrate the counter canter to the left (maintain right lead) on a full circle	LEVEL 3	PRE LEVEL 3
----------------------------------------------------------------------------------------------------------------	---------	-------------

Comments:

---

---

---

F12. At the canter, cause your horse's hindquarters to come in off the track while the forehand travels straight	LEVEL 3	PRE LEVEL 3
------------------------------------------------------------------------------------------------------------------	---------	-------------

Comments:

---

---

F13. Trot your horse in a figure of eight showing two changes of diagonals	LEVEL 3	PRE LEVEL 3
----------------------------------------------------------------------------	---------	-------------

Comments:

---

---

---

F14. Trot your horse diagonally sideways across a space of at least 25 feet	LEVEL 3	PRE LEVEL 3
-----------------------------------------------------------------------------	---------	-------------

Comments:

---

---

---

F15. Canter your horse diagonally sideways, on the left lead across a distance of at least 25 feet	LEVEL 3	PRE LEVEL 3
----------------------------------------------------------------------------------------------------	---------	-------------

Comments:

---

---

---

F16. Show a flying change from the left to right, canter diagonally sideways to the right then show another flying change from right to left	LEVEL 3	PRE LEVEL 3
----------------------------------------------------------------------------------------------------------------------------------------------	---------	-------------

Comments:

---

---

---

F17. Bring your horse gracefully down to a back up	LEVEL 3	PRE LEVEL 3
----------------------------------------------------	---------	-------------

Comments:

---

---

---

Using the 45° line

F18. Drag a log or tire etc., while riding your horse. Drag it forward for 30 feet then turn and face it	LEVEL 3	PRE LEVEL 3
-------------------------------------------------------------------------------------------------------------	---------	-------------

F19. Drag it while backing your horse for another 15 feet	LEVEL 3	PRE LEVEL 3
-----------------------------------------------------------	---------	-------------

F20. Dismount your horse and ask him to back up with your Partnership Reins, cause him to drag the object a little backward and hold it while you go and pet the object	LEVEL 3	PRE LEVEL 3
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------	-------------

F21. Bring him forward while you are at the object and untie the 45° Line	LEVEL 3	PRE LEVEL 3
------------------------------------------------------------------------------	---------	-------------

F22. Mount your horse and gather up your rope	LEVEL 3	PRE LEVEL 3
-----------------------------------------------	---------	-------------

Comments:

---

---

---

---

Using a 9' length of Kite String

F23. Take your bridle off while mounted and place the kite string in your horse's mouth. Walk trot and canter a circle then come down to a back up	LEVEL 3	PRE LEVEL 3
----------------------------------------------------------------------------------------------------------------------------------------------------------	---------	-------------

F24. Dismount, rub your horse on the head, then turn and leave with your horse following you freely	LEVEL 3	PRE LEVEL 3
--------------------------------------------------------------------------------------------------------	---------	-------------

Comments:

---

---

---

---

Style and balance of finesse

F25. Overall picture or rider's refinement (includes subtlety of communication, independent seat and gracefulness)	LEVEL 3	PRE LEVEL 3
-----------------------------------------------------------------------------------------------------------------------	---------	-------------

Comments:
